

**PARENTS**

Here are a few reasons parents like you choose TEIS as their Early Intervention Provider for their child and family:

***We Will Help You and Your Family!***

- TEIS has only employees, not independent contractors. Having employees allows us to manage, mentor and hold our therapists accountable so we can help you reach **your** goals for **your** child and family.
- TEIS has an exclusive employee training program... making our therapists the most highly trained and best choice to help **your** child and family reach their full potential.

**TEIS Early Intervention provides help for children up to age 3.**

**TEIS supports you to bring out the very best in your child.**

**TEIS will work with your child in**

- **Your Home**
- **Your Daycare**
- **Your Community**

**at no cost to you.**

**You have a right to choose your Early Intervention Provider**

**Choose TEIS!**

**And know you made the right choice**
